Hotel 2023 discounts for authors

Hello,

Thank you for joining us at the 40th Miami Book Fair!

The majority of participating authors will be staying at JW Marriott Marquis and JW Marriott Miami. Please note we will be offering shuttles to/from the JW Marriott Marquis to the Book Fair from 11/12 to 11/17, and from the JW Marriott Miami on 11/18 and 11/19.

We also suggest doing a search based on proximity to "300 NE 2nd Avenue, Miami FL 33132" and choosing according to your criteria, since there are different types of options. For example, The Guild/X Miami, Yotel, Citizen M Worldcenter are close, but they are more like studio apartments, no room service. The Holiday Inn Port of Miami is also an option, etc.

Please see below some discount codes we have available:

Marriott Marquis: this is the link to our discounted corporate rate of $329 per night. Please note this custom link will expire on Nov. 1st.

JW Mariott Brickell: this is the link to our discounted corporate rate of $279 per night. Please note it expires on Nov. 1st.

Marriott Biscayne Bay: Starting at $189. Please note this custom link will expire on Oct 22: https://book.passkey.com/e/50691237. This hotel is 10 minutes away from the Miami Book Fair via Metromover, a free transportation.

When you hit search, a page with the availability opens, and you can insert the discount corporate code, which is **cu-mmd** on the right to receive the discount.

Yotel Miami: brand new and just opened last year. Regular rooms start at $174, and PAD Suites start at $193 with the discount code. Here is the link to book regular rooms, and this is the link to search for searching for "PAD" Suites (those are the residential style suites). In both cases, the promo code is **MDC001**. You need to choose the check-in and check-out dates, then a pop-up window opens for you to insert the corporate code. Then just click on Search.

Hyatt Regency at 400 S.E. Second Avenue, Miami, FL 33131. Rooms start at $169 with the discount. This link automatically enters the Corporate rate code when you click on it and just adjust the dates needed: https://www.hyatt.com/en-US/hotel/florida/hyatt-regency-miami/miarm?corp_id=18885
